

OCEAN SPRAY CRANBERRIES, INC.

Post-65 Retiree Health Care Resources

Ocean Spray Cranberries is pleased to offer you a valuable resource to assist you with your health care insurance needs during retirement. We know purchasing health insurance is time-consuming and often very confusing. This new service will help you become a more informed consumer for your medical and prescription drug benefits.

We have partnered with Amwins Group Benefits, a division of Amwins Group, Inc., to help guide you through this important process. Their Benefits Specialist will be able to assist you by identifying health and prescription drug plans that will meet your future needs.

When you are ready to learn more about your post-retirement health care options, **contact an Amwins Benefits Specialist.**

You have important decisions to make — let us help you understand your options so you can make the best decision for yourself and your family.
